2. Monthly Payment Plan

Financial Responsibility

CLU does not automatically drop students from a class if they register but do not attend. Students remain financially responsible for the tuition charges. To officially drop a class and be eligible for a tuition adjustment, students must either complete and submit an add/drop form or complete the change online using WebAdvisor. The add/drop form will be dated by the site coordinators at off-campus centers or by the Registrar's Office on the Thousand Oaks campus.

WebAdvisor can be used to change your schedule through the first two weeks of the term. It is strongly suggested that you print a confirmation of the change for your records. In addition, you will receive a confirmation email at your CLUnet address, confirming the acceptance of the change in your registration status.

If, at any time, proof is required of a successful change in your enrollment, a copy of the confirmation and email will be required. The withdrawal date officially determines the tuition charges as follows:

Education and Psychology Programs

- 1 class meeting - no charge
- 2 class meetings - 20% charge
- 3 class meetings - 40% charge
- 4 class meetings - 60% charge
- 5+ class meetings - 100% charge

All 11-week Semester Programs

Withdrawal during the first two weeks of class is at no charge. Withdrawal after the second week is full charge. Reduction in fee calculation is based on one class per week and may vary for classes that meet on Saturdays or on a staggered schedule. A variation of this reduction policy may occur if the student has federal financial aid. Fees are not refundable. Please note that the dates used for reduction of charges are not the same dates used by the Registrar's Office as last date for withdrawing from a class.

Financial Obligations

Academic records will not be released and students will not be permitted to register for classes if financial obligations for a previous semester have not been met. For information regarding student accounts or billing procedures, students should contact the CLU Business Office at (805) 493-3176.

Employer Tuition Reimbursement

Students who receive tuition reimbursement from their employer may delay payment for up to **six** weeks after the last day of the term. To take advantage of this deferred payment plan, it is your responsibility to:

- Submit a confirmation letter or company policy from your employer one time, prior to the start of your first term.
- Submit a completed Employer Reimbursement application prior to the term you begin your enrollment and annually each fall term thereafter.
- Statements are only available electronically
- If the application and/or company policy are received in the Student Accounts Office after the second week of the term, a \$50 late transaction fee will be assessed.
- If your employer does not provide 100 percent reimbursement, you are responsible to pay the difference prior to the first class meeting.
- If your employer reimbursement plan has a maximum annual limit, CLU will cancel your deferral when that limit is reached. You will be responsible for payment of all tuition charges exceeding your policy limit prior to the first class meeting.

Applications are available on campus or under "Forms" on the Student Accounts Web page. The form may be downloaded and faxed to (805) 493-3886 or completed online and transmitted electronically to the Student Accounts Office.

Students are ultimately responsible for payment of their fees, tuition and costs. Payment of your account is expected when your employer reimburses you or no later than **six** weeks after the end of the term.

If full payment has not been received within **six** weeks from the end of the term, interest of 1.25 percent will accrue monthly on the entire unpaid balance. A hold will be placed on your account to prevent the release of transcripts and future registrations until your balance has been paid.

Rights and Responsibilities

Upon registration, the student agrees to accept the responsibility and legal obligation to pay all tuition costs, room and board fees (if applicable), and other special fees incurred or to be incurred for the student's education.

The University, in turn, agrees to make available to the student certain educational programs and the use of certain university facilities, as applicable and as described in campus publications.

A student's failure to pay all university bills shall release the University of any obligation to continue to provide the applicable educational benefits and services, including statements of honorable dismissal, transcripts of records, diplomas or registrations. The student shall also be denied admittance to classes and the use of university facilities.

Information regarding student account balances will be released to the student only. To release financial information to a third party, students must provide written authorization to the Student Accounts Office.
