Campus Policies

Standards of Conduct

The Standards of Conduct are part of the California Lutheran University commitment to holistic student development. It is the University's purpose to assist students in developing a personal set of values and ethics, managing emotions, making decisions and following through on commitments, becoming more independent, recognizing interdependence and accepting the consequences of personal actions and decisions.

The Standards of Conduct were not established to be judgmental, but rather to ensure individual responsibility and an environment that contributes to a learning community.

The CLU community assumes that each student who enters the University possesses an earnest purpose; the ability to exercise mature judgment; the ability to act in a responsible manner; a well-developed concept of, and commitment to, honor, morality and integrity; and a respect for law and the rights of others. This assumption prevails unless a student negates it through misconduct.

The Standards of Conduct shall apply to conduct that occurs on university premises, at university-sponsored activities, and to off-campus conduct that adversely affects the university community and/or the pursuit of its objectives.

Each student shall be responsible for his or her conduct from the time of application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and between the terms of actual enrollment (even if their conduct is not discovered until after a degree is awarded). The Standards of Conduct shall apply to a student's conduct even if the student withdraws from the University while a disciplinary matter is pending.

Public postings or displays of information pertaining to and/or in direct violation of university policy are subject to disciplinary action. This includes but is not limited to websites, Facebook, Myspace, blogs, online messaging, and other sources on or off line.

The Vice President for Student Affairs/Dean of Students shall decide whether the Standards of Conduct shall be applied to conduct occurring off campus on a case by case basis.

The University adopts only such policies and procedures that seem necessary for the welfare of the educational community. Each student associated with California Lutheran University is expected to be familiar with and to follow all policies and procedures promulgated by the University.

Failure to abide by the policies and procedures as outlined in the Standards of Conduct may result in disciplinary action and sanctions.

Alcohol and Other Drug Information

The specific guidelines governing the use of alcohol and other drugs on the campus are included in the policy section of this handbook. However, it is important to understand the context within which those policies are created. The Drug-Free Schools and Communities Act of 1991 outlines clear expectations of universities in preventing the illegal use of drugs and alcohol on our campuses. In addition, the abuse of alcohol and other drugs continues to be a major problem on campuses across the country. The majority of traffic accidents, vandalism, suicides, physical abuse, fights and sexual assaults involve the use of alcohol or drugs by the individuals involved. Relevant sections of state and local statutes regarding alcohol and drugs are summarized below.

University Policy on Alcohol

1. Campus standards do not allow alcoholic beverages, including empty alcohol containers on campus.
2. All persons in the presence of alcohol confronted by a university official (i.e., Resident Assistants, Graduate Assistants, Coordinators for Residence Life, and Campus Safety and Security) will be documented for a policy violation. All alcohol and items containing alcohol will be disposed of and/or confiscated. Beer bongos and/or other paraphernalia used in the consumption of alcohol may be confiscated and/or destroyed.

7. No alcohol related, or similarly offensive posters, stickers, caps, lights, etc., may be displayed in residence hall windows or on the outside of doors. Bottle caps are not allowed on ceilings or walls.
8. Due to the risks involved to the health and safety of CLU students, competitive drinking events and games are prohibited both on and off campus. Planning or participating in such events will result in university disciplinary action for organizers and participants.

The following are exceptions to this policy:

Faculty and professional staff members who live on campus are allowed to have alcohol in their residence, but may not serve alcohol to or in the presence of undergraduate students.

Graduate students who live in university-owned residences segregated from undergraduate student housing, are allowed to have alcohol in their residence, but may not serve alcohol to or in the presence of undergraduate students.

Alcohol is allowed and may be served in the President's residence to guests other than undergraduate students at his or her personal discretion.

Communion wine at on-campus worship services is allowed.

Alcohol is allowed on campus and may be served at special events where specific permission is sought and granted by the President of the University (or designee). These special events include, but are not limited to, wedding receptions, dinners for Regents or other guests of the University, and receptions held on campus by external organizations.

Distilled spirits are not permitted at approved special events and all non-distilled spirits provided must be served by catering services holding license to do so. On-campus university residential facilities will not be considered for this exception.

University Policy on Student Harassment

The University seeks to create and maintain an academic environment in which all members of the community are free from harassment based on race, color, religion, age, national origin, disability, marital status, sexual orientation, or sex.

California Lutheran University espouses values that infuse the academic and residential life of its campus. Undergirding community life must be the awareness on the part of every member of the rights and human dignity of every member. Attitudes of condescension, hostility, role stereotyping and social or sexual innuendo weaken the health of the community.

Furthermore, harassment compromises the integrity of a liberal arts education, because it makes the learning and working environment hostile, intimidating and offensive; it destroys opportunities for students to develop a strong, positive self-concept and the sense of self-confidence which is essential to living out the ideals of a liberal education.

In addition, persons who harass others compromise their own integrity and credibility. Consequently, no form of harassment will be tolerated on our campus.

Harassment

Harassment refers to unwelcome behavior that is offensive, fails to respect the rights of others, and interferes with work, learning, living, or campus environment. Forms of harassment include, but are not limited to:

Sexual Harassment

Any sexual advances, requests or demands for sexual favors and other physical, verbal or visual conduct of sexual nature constitute sexual harassment when:

1. Such conduct has the purpose or effect of substantially interfering with an individual's work or academic performance, creating an intimidating, hostile or offensive work, learning, living, or campus environment; or
2. Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions affecting the individual; or
3. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic program.

The University Policy on Student Sexual Harassment includes, but is not limited to, the following behaviors:

1. Verbal: Conduct such as epithets, derogatory jokes or comments, slurs or unwanted sexual advances, invitations or comments, obscene phone calls or voice mail or email messages, and threats and demands to submit to sexual requests as a condition of continued employment or academic advancement, or to avoid some other loss, and offers of preferential treatment in return for sexual favors and/or retaliation for having reported or threatened to report harassment.
