Associated Students of California Lutheran University (ASCLU)

Students are involved in campus life in a variety of ways, including clubs and organizations, student government, student/faculty committees, personnel searches and task forces on particular issues.

All traditional undergraduate students carrying 12 units or more are automatically members of the Associated Students of California Lutheran University. The representing governing body of the ASCLU is the ASCLU-Government (ASCLU-G), which is divided into three distinct bodies: the Executive Cabinet, Programs Board and Senate. The Executive Cabinet, consisting of the President, Senate Director, Programs Board Director, Controller and Recorder, oversees the two boards, facilitates the weekly meetings, and acts as the formal representatives of ASCLU. The Programs Board is responsible for ASCLU-sponsored student events such as the Homecoming Carnival, Club Lu Friday night events, and several other campus favorites. The Senate develops legislation to make recommendations to the University for campus improvements, approves student clubs and organizations, and allocates student fee money to projects deemed important by undergraduate students.

Students are elected into the ASCLU-G Executive Cabinet, Programs Board and Senate during the spring semester for most offices and during the fall semester for selected offices, with terms lasting one academic year. Committee appointments within the boards are made through the ASCLU-G Executive Cabinet.

Cultural Opportunities

CLU is an exciting place to be, with enthusiastic artists preparing for careers in drama, music and the visual arts. Each year, these students exhibit their fresh talents through plays, concerts, recitals and exhibitions. In addition to on-campus talent, visiting artists enrich CLU's array of cultural offerings. Most events on campus are free to CLU students.

Cultural Events Series

CLU's Cultural Events Series features a variety of talented guest lecturers and performers. Dance troupes, authors, poets and musicians are examples of the entertainment one can expect. Recent noted lecturers have included political activist Naomi Wolf; award-winning authors Tim O'Brien, Kao Kalia Yang and Lisa See; journalist Joe Klein and NPR host Scott Simon.

The Harold Stoner Clark Lecture Series is an annual fall event. Fascinated by a philosophical sense of wonder about what lies just beyond the reach of scientific research, the late Harold Stoner Clark endowed this lecture series. Ecologist Sandra Steingraber, theologian Nancey Murphy, theoretical physicist Brian Greene and philosopher David Chalmers are among recent featured speakers.

Campus Ministry

You are a seriously connected individual: electronically, emotionally, socially, academically, spiritually, and globally. Just like you, Campus Ministry is connected. In fact we are in the business of making connections. So let's make some connections - between classroom and life, between faith and research, between service to humanity and vocation, between identity and purpose, between you and the God that loves you.

By design, practicing one's faith causes connections. Worship is one way to connect with God. Worship opportunities include University Chapel on Thursdays, Lord of Life Student congregation worship on Sunday, Common Ground evening Worship on Wednesdays all held within Samuelson Chapel. Prayer and Reflection, a brief time to pause and remember the faith you have within and the God that knows you, is held on the Woodland Hills and Oxnard campuses midweek. Celebrating and remembering numerous Jewish holiday traditions are part of the regularly scheduled calendar of Campus Ministry events. Faith forming opportunities are offered through small groups, service learning projects, and educational offerings to further your growth in faith.

The Wennes Interfaith Meditation Chapel is open for prayer and contemplation. Prayer mats and resources from the world's major religions are available for your use. You are welcome to enter the Meditation Chapel through the outside door adjacent to the doors of Samuelson Chapel. Behind Samuelson Chapel is a Labyrinth. The Labyrinth is another means to encounter focused prayer for all faith traditions. You can also access the many Sabbath Hour resources provided by Campus Ministry on our website. http://www.callutheran.edu/university_ministries/campus-ministry/

Campus Ministry endeavors to create a web of connections reminding us that we are connected to God and neighbor. ELCA Campus Pastors Scott and Melissa Maxwell-Doherty and Rabbi Belle Michael welcome all those who wish to share a common faith in God. Got faith, doubt, and hope? Bring it, regardless of your denominational, religious, or spiritual affiliation. You are invited and encouraged to express and explore your connection to a living God.

The Office of Campus Ministry is located in Samuelson Chapel.

Career Services

Career Services provides an array of individualized services and programs to students and alumni including assistance in choosing a major and career direction, graduate school advising, individualized counseling, workshops, and assistance with securing a job or internship.

This site, which can only be accessed by students and alumni, includes an employer database with more than 15,000 employer contacts along with student profiles that let the Career Services staff know what the student's career interests are. Profiles can be completed to activate a targeted email service for related jobs, internships, events, and workshops.

Each year Career Services puts on various events including a Career & Intern Expo and Graduate School Fair. For a list of all services offered, visit the Career Services website at http://www.callutheran.edu/career_services/, which is updated each month.

Campus Policies

Standards of Conduct

The Standards of Conduct are part of the California Lutheran University commitment to holistic student development. It is the University's purpose to assist students in developing a personal set of values and ethics, managing emotions, making decisions and following through on commitments, becoming more independent, recognizing interdependence, and accepting the consequences of personal actions and decisions.

The Standards of Conduct were not established to be judgmental, but rather to ensure individual responsibility and an environment that contributes to a learning community.

The CLU community assumes that each student who enters the University possesses an earnest purpose; the ability to exercise mature judgment; the ability to act in a responsible manner; a well-developed concept of, and commitment to, honor, morality and integrity; and a respect for law and the rights of others. This assumption prevails unless a student negates it through misconduct.

The Standards of Conduct shall apply to conduct that occurs on university premises, at university-sponsored activities, and to off-campus conduct that adversely affects the university community and/or the pursuit of its objectives.

Each student shall be responsible for his or her conduct from the time of application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and between the terms of actual enrollment (even if conduct is not discovered until after a degree is awarded). The Standards of Conduct shall apply to a student's conduct even if the student withdraws from the University while a disciplinary matter is pending.

Public postings or displays of information pertaining to and/or in direct violation of university policy are subject to disciplinary action. This includes but is not limited to websites, Facebook, MySpace, blogs, online messaging, and other sources on or off line.

The Vice President for Student Affairs/Dean of Students shall decide whether the Standards of Conduct shall be applied to conduct occurring off campus on a case-by-case basis.

The University adopts only such policies and procedures that seem necessary for the welfare of the educational community. Each student associated with California Lutheran University is expected to be familiar with and to follow all policies and procedures promulgated by the University.

Failure to abide by the policies and procedures as outlined in the Standards of Conduct may result in disciplinary action and sanctions.

Alcohol and Other Drug Information

The specific guidelines governing the use of alcohol and other drugs on campus are included in the policy section of this handbook. However, it is important to understand the context within which those policies are created. The Drug-Free Schools and Communities Act of 1991 outlines clear expectations of universities in preventing the illegal use of drugs and alcohol on our campuses. In addition, the abuse of alcohol and other drugs continues to be a major problem on campuses across the country. The majority of traffic accidents, vandalism, suicides, physical abuse, fights and sexual assaults involve the use of alcohol or drugs by the individuals involved. Relevant sections of state and local statutes regarding alcohol and drugs are summarized below.

University Policy on Alcohol

2.1 Campus standards do not allow alcoholic beverages, including empty alcohol containers on campus.

2.2 All persons in the presence of alcohol confronted by a university official (e.g., Resident Assistants, Graduate Assistants, Area Residence Coordinators, and Campus Safety and Security) will be documented for a policy violation. All alcohol and items containing alcohol will be disposed of and/or confiscated. Beer bonges and/or other paraphernalia used in the consumption of alcohol may be confiscated and/or destroyed.

The following are exceptions to this policy:

1. Faculty and professional staff members who live on campus are allowed to have alcohol in their residence, but may not serve alcohol to or in the presence of undergraduate students.
2. Graduate students who live in university-owned residences segregated from undergraduate student housing are allowed to have alcohol in their residence, but may not serve alcohol to or in the presence of undergraduate students.
3. Alcohol is allowed and may be served in the President's Residence to guests other than undergraduate students at his or her personal discretion.
4. Communion wine at on-campus worship services is allowed.

5. Alcohol is allowed on campus and may be served at special events where specific permission is sought and granted by the President of the University (or designee). These special events include, but are not limited to, wedding receptions, dinners for Regents or other guests of the University, and receptions held on campus by external organizations.

Distilled spirits are not permitted at approved special events and all non-distilled spirits provided must be served by catering services holding license to do so. On-campus university residential facilities will not be considered for this exception.

University Policy on Student Harassment

The University seeks to create and maintain an academic environment in which all members of the community are free from harassment based on race, color, religion, age, national origin, disability, marital status, sexual orientation, or sex.

California Lutheran University espouses values that infuse the academic and residential life of its campus. Undergirding community life must be the awareness on the part of every member of the rights and human dignity of every member. Attitudes of condescension, hostility, role stereotyping and social or sexual innuendo weaken the health of the community.

Furthermore, harassment compromises the integrity of a liberal arts education because it makes the learning and working environment hostile, intimidating and offensive; it destroys opportunities for students to develop a strong, positive self-concept and the sense of self-confidence which is essential to living out the ideals of a liberal education.

In addition, persons who harass others compromise their own integrity and credibility. Consequently, no form of harassment will be tolerated on our campus.

Harassment

Harassment refers to unwelcome behavior that is offensive, fails to respect the rights of others, and interferes with work, learning, living, or campus environment. Forms of harassment include, but are not limited to:

- 5.1a Verbal: Conduct such as suggestive comments, derogatory slurs, off-color jokes, threats, suggestive or insulting sounds, etc. Verbal harassment also entails using the telephone to harass others. This includes, but is not limited to, unwanted phone calls, hang ups, unwanted voice mail messages, obscene calls.
- 5.1b Nonverbal/Visual: Conduct such as derogatory or inappropriate posters, pictures, cartoons, faxes, emails, or drawings, suggestive objects or pictures, graphic commentaries, leering, obscene gestures.
- 5.1c Physical: Conduct such as unwanted physical contact including touching, interference with an individual's normal work or movement, assault.

Sexual Harassment

Any sexual advances, requests or demands for sexual favors and other physical, verbal or visual conduct of sexual nature constitute sexual harassment when:

1. Such conduct has the purpose or effect of substantially interfering with an individual's work or academic performance, creating an intimidating, hostile or offensive work, learning, living, or campus environment; or
2. Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions affecting the individual; or
3. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic program.

The University Policy on Student Sexual Harassment includes, but is not limited to, the following behaviors:

5.2a Verbal: Conduct such as epithets, derogatory jokes or comments, slurs or unwanted sexual advances, invitations or comments, obscene phone calls, or voice mail or email messages, and threats and demands to submit to sexual requests as a condition of continued employment or academic advancement, or to avoid some other loss, and offers of preferential treatment in return for sexual favors and/or retaliation for having reported or threatened to report harassment.

5.2b Nonverbal/Visual: Conduct such as derogatory and/or sexuality-oriented posters, photographs, cartoons, drawings or gestures, exposure (e.g., "moonning," "streaking"), other lewd behaviors.

5.2c Physical: Conduct such as assault, unwanted touching, blocking normal movement or interfering with work or study.

Residence Life

The University is primarily a residential institution with more than 1,300 full-time undergraduate students residing on campus. The residential experience is considered a crucial part of students' education, as significant learning occurs through peer interaction in the residence halls.

Requirements

All full-time undergraduate students are required to reside on campus through their junior year at CLU. Seniors have the option of living off campus. However, as with all students, once a senior has signed a housing contract, it is expected that the full term of the contract will be honored (one academic year) or there may be financial penalties for breaking the contract. The housing contract includes the meal plan. Room and board are not separable except for residents of apartments and university houses.

Exceptions to the requirements to live on campus would normally fall into one of the following categories:

1. Married students
2. Students living with their parents within a 30-mile radius
3. Graduate and Bachelor's Degree for Professionals students
4. Seniors
5. Students who are 23 years of age or older

Note: Students who are seeking an exception to the housing or meal plan requirements must meet with the Housing Review Committee through the Residence Life Office. Students who are not granted an exception to the housing requirements who move off campus will be penalized. This penalty will consist of being charged for room and board for the first semester and loss of university-funded financial aid the subsequent semester.

Housing Contracts

Student housing contracts are for the full academic year. A student who occupies a room in university housing will be held responsible for that room and the stipulated charges until the end of the academic year unless the student is expressly released from the contract by the Housing Review Committee.

Room Applications and Assignments

Housing contracts are submitted online to the Residence Life Office, which is responsible for the assignment of rooms and approval of room changes during the year.

Student Responsibilities

Residential students are expected to uphold CLU's high standards. Each student is responsible for contributing to the positive community environment by being courteous, considerate, honest and ethical. When individuals do not accept these responsibilities, the university administration may take appropriate action for the benefit of the community.

Additionally, students requesting to live on campus are expected to be aware of and abide by all the policies of the University as stated in the University Catalog and Standards of Conduct. These policies include but are not limited to: no alcohol or illegal drugs on campus; quiet hours; and a general respect for the rights of other residents.

By accepting university housing, students agree to observe all housing regulations and respect university property. When an individual is suspended or expelled from a residence hall, fees are not refunded.

Graduate Housing

CLU provides fully furnished private bedroom residence hall rooms for graduate students in Grace Hall. These rooms are available on a first-come first-served basis. Please visit our website for more information or a virtual tour of the room. Students may request housing by filling out the Graduate Student Housing application.

Residence Hall Vacation Schedule

All first year residence halls are closed during the winter holiday. Campus Dining closes after the evening meal on the last day of classes prior to the session break. Food service is not available during various holidays, winter break and spring break. The services and facilities reopen the afternoon before the resumption of classes.
