

MBA for Experienced Professionals

The Executive MBA (EMBA) program at California Lutheran University is an elite program for seasoned professionals who have already achieved significant business success. Our interdisciplinary, experience-driven curriculum is organized around five key areas:

- Leading Operations
- Managing Processes
- Leading People
- Leading Strategy
- Professional and Personal Advancement

After completing an MBA degree, the student will have an in-depth understanding of the building blocks of business management, theories and practical tools in core subject areas. Furthermore, the student will possess critical and creative thinking skills to apply theories and related tools to solve business problems related to planning, organizing, leading and controlling in any organization, private or public, in a fast paced domestic or global environment. Additionally, the students will have developed a better understanding their strengths and weaknesses in interpersonal relations, teamwork and leadership.

The program features 15 courses, 3 credits each, delivered in a hybrid model (8 on-campus courses, 7 online courses). The on-campus courses will be offered in a compressed weekend format.

Admission Requirements

The EMBA program begins each October and is delivered over 18 months to a cohort consisting of working professionals with a minimum of 5-7 years or relevant professional experience.
