Since most Bachelor's Degree for Professionals students are also employed, a normal course load is considered to be two courses per term (six to eight units). The number of units you take, however, is up to you as long as you don't exceed 10 units per term. If you would like to take more than 10 units per term, you must seek the approval of your academic counselor and the Director of the Bachelor's Degree for Professionals program. Please contact the Financial Aid office regarding questions related to course load and financial aid.

Concurrent Enrollment

If you are admitted as a Bachelor's Degree for Professionals student and wish to enroll in courses within the traditional undergraduate Cal Lutheran program or in another college or university, you must obtain approval from the Director of the Bachelor's Degree for Professionals program prior to enrolling in the course(s). Normally, requests for concurrent enrollment at another institution will not be granted unless you demonstrate a compelling need to take the course at that location.

Leave of Absence

By notifying their academic counselor, students may request to take a leave of absence for up to one year/four consecutive terms. Under certain circumstances, students may be approved to take an extended leave of absence, totaling two years/eight consecutive terms. Students need to speak with their academic counselor to begin the request process. Students exceeding the approved time for their leave of absence will be inactivated from the program and will have to reapply to be readmitted. Return of Funds Policies for Federal Aid

Students who receive federal aid¹ are subject to federal return of funds policies. If the payment period for which a student received funds (term) is not completed and the student withdraws from all courses, then the student is only eligible for a percentage of the aid equal to the percentage of the period completed. The following is an example of this concept:

Krista enrolls in the fall term but drops out before the end of the term. She actually completes 35 percent of the term and, therefore, is only eligible for 35 percent of the aid awarded for that period (amount earned).

If the aid earned is more than the amount that was actually disbursed to the student (credited to their account), then California Lutheran University will offer the student a post withdrawal disbursement according to certain conditions such as whether or not a valid Student Aid Report has been received, the status of the verification process, etc.

If the amount disbursed is more than the amount earned, then California Lutheran University must return the amount unearned to the U.S. Department of Education. The student will then be responsible for any balance owed to California Lutheran University caused by the return of funds.

For additional information, please contact the Office of Financial Aid at (805)493-3115.

¹ Federal aid covered by the Return of Funds policies includes the Unsubsidized Stafford Loan, Subsidized Stafford Loan, and Pell Grant.

Degree Requirements

General Degree Requirements

The requirements for the degrees of Bachelor of Arts and Bachelor of Science are designed to provide you with a broad program of liberal arts study and an opportunity to concentrate in the field of special interest. It is intended that at the undergraduate level the emphasis be placed on acquiring a broad education in many subjects, leaving highly specialized and professional studies to the graduate school level.

Bachelor's Degree for Professionals academic counselors will assist you in preparing an individualized degree plan; nevertheless, you are ultimately responsible for seeing that your academic program includes all requirements for graduation.
